

To Whom It May Concern,

Mora Rowe served as Executive Director of the Lyme Academy of Fine Arts during my tenure as Chair of the Board. Her dates of employment at Lyme Academy were January of 2021 to September of 2022.

I enjoyed working with Mora on the re-launch of the Lyme Academy, which came in the wake of the COVID pandemic. Her work ethic is unmatched by anyone I've encountered in my personal or professional life and the sense of joy that she brought to her job was critical in bringing life back to our campus. One of Mora's enduring legacies, among many, will be the opening of the Academy's new art supply store, deGerenday's Fine Art Materials & Curiosities. No one who has stepped into that shop has failed to be bowled over by what she has created.

Please feel free to contact me on my cell at (917) 239-3641 or my email at MDuffy@GreatOaksCharter.org if there is additional information that I can provide to you.

Yours sincerely,

Michael Thomas Duffy
